

INTRODUCING THE NEW HUNTINGTON BEACH SOFT

At the intersection of artistry and science, new Huntington Beach SOFT Putters deliver score-dropping technology in a finely crafted package. Speed Optimized Face Technology provides consistent distance on center strikes and mishits alike. Yet 6 tour-proven shapes in soft 304ss offer the aesthetic appeal only a master craftsman can achieve. Get the distance control, soft feel, and confidence to sink more putts with new Huntington Beach SOFT.
